Re: Docket No. 01-0120 Condition 30 – Ameritech Remedy Plan

Dear Ms. Caton:

Pursuant to instructions of the Administrative Law Judges ("ALJ's") issued in the above-captioned docket at a hearing held on August 31, 2001, the record in this case was not marked heard and taken. The transcript from the hearing reflects that this action was taken so that Staff could collect and file evidence identified as Patrick Cross Exhibit #6. The ALJ's granted Staff's motion to file Patrick Cross Exhibit #6 as a late-filed exhibit. Tr. 321-22. The exhibit is represented in the attached cd-roms. Additional copies are also provided for the clerks office. Since some of the information is proprietary, Staff is submitting two cd-roms – one proprietary and one non-proprietary. The cd-rom identified as Patrick Cross Exhibit #6P contains the proprietary information, while the cd-rom identified as Patrick Cross Exhibit #6 is a duplicate disk with the proprietary information removed.
